I have to say I am overwhelmed by the kindness that has been shown to me this week.
I feel so honored that you have shared your culture and customs .
Being here with you all has taught me so many things and I am truly touched in my heart.
Meeting so welcoming and sincere is more than I ever expected.
Getting the chance to share the tea ceremony with you and the Japanese flower arrangement was amazing.

Then today sharing Kyoto and talking with so many different people was incredible.
This week was a life changing experience, teaching me that different people from all over the world share the same feelings and experiences.
Seeing your beautiful temples was just another beautiful experience I've never seen anything like it.
I am so blessed to have shared this week with you.
It is a memory I will hold in my heart forever.

You are the kindest most welcoming group we had the pleasure to meet.
I look forward to many years of friendship and memories to come .
